1. Right Turn Exit out of *Oaks Creek Lodge* Driveway onto County Hwy 22 (also known as East Lake Drive up the road in Richfield Springs)

2. Proceed on Cty Hwy 22 into Town of Schuyler Lake to intersection of Rt 28 & Cty Hwy 22 (intersection of Old Stone Church & Gas Station at Overhead Blinking Traffic Light)

3. Left hand turn onto Rt 28 South

4. At a "T" intersection (which is a straight drive thru for you), Rt. 28 merges with Rt 80 to form Rt.28/80. (Noticeable at that intersection is a power substation and car repair shop.)

5. Keep driving on Rt. 28/80. It will take you directly into and actually deadend in a "T" at Chestnut Street in downtown Cooperstown. At this point, Route 28/80 will diverge and separate. To the left is Route 80. To the right is Route 28.

6. At the Deadend "T", make a left onto Chestnut Street (Route 80 North) and proceed straight a few blocks to the traffic light (the only traffic light in Cooperstown). This intersection is Chestnut Street & Main Street.

7. Proceed straight through the light to the next "T" deadend. This is the intersection of Chestnut Street and Lake Street. Make a left.

8. *The Otesaga Hotel* is on the immediate right. Look for the Main Driveway Entrance between two brick pillars for the driveway leading up to the front lobby. Car passengers may disembark here at the front door. While Valet Parking Service is free, a tip is customary. Vehicle Parking Lot is free.

Bon Appetit!
